The community is somewhat mature. As far as social media goes, I do not personally think that Roblox holds much of a candle in terms of maturity when compared to the likes of Twitter or Facebook - but it certainly does not have the childish undertone that you would find on other sites such as Instagram or Snapchat either. It has a decent kid-friendly community that is mostly neutral.

ROBLOX has also been criticised for its lack of support for users who are victims of scams and other forms of theft. Some samples include: A user by the name of EthanSteele has recently had his full game, "The Quest" stolen by someone else and renamed "Game Start". He made an appeal to ROBLOX's administrators on Reddit asking that he be given back his prototype so that he could resume development on it but they banned him and closed his case. Another example was the theft of a user's game, "The Polaroid Project", by another user who put it on a free-to-play model for the purpose of making money.

A user's membership is displayed as a number of "blocks" that they have in their account. This number can be increased at any time by purchasing a builders club membership which also unlocks other features such as custom backgrounds, avatars and other features like chat rooms and new games. The first block costs 99 cents, while additional blocks begin at \$2.99 for 12 blocks. Unlike Xbox Live Gold and PSN, the number of blocks does not reset after you have purchased them, but keeps track of all the purchases you made up until you buy more blocks.

There are two kinds of issues with Roblox development. One is syntax issues which deal with how the code works and how to make it function correctly. The other one deals with data issues which involve working with saved variables in games. Since users can change data, they are prone to having issues in this area.

ROBLOX has official clients for Windows, macOS, Linux, iOS, Android, Xbox One, and PlayStation 4. ROBLOX also has a game engine called "Build" which can be downloaded for free to those wishing to develop games for their website. Although not officially supported by ROBLOX themselves, the client source code is also available on GitHub. As such, there are unofficial ports of ROBLOX to other platforms not supported officially by ROBLOX such as Xbox 360, Raspberry Pi and Tizen. An early attempt at an iPhone port in 2021 was unsuccessful due to concerns over the stability of the platform and a lack of toolchain support.

A serious game should be fun whether you spend money on it or not. The developer should not make a profit from people who don't care about winning but rather just want to play and have fun. If there is real value in the game then it can sustain itself through micro transactions that offer cosmetic enhancements only, by providing new texture patterns, color schemes, new props, etcetera.

Roblox is involved in a lawsuit concerning child safety on the Internet. On September 17, 2021, two brothers filed a lawsuit in the United States District Court, Southern District of California against Roblox Corporation and its founder and CEO David Baszucki. The suit alleged that the defendants failed to protect their nine- and thirteen-year-old sons from inappropriate content on Roblox that resulted in emotional distress. The suit also accuses the company of negligence for failure to monitor potentially harmful content and failure to institute parental monitoring measures. The case is known as "McDonald v. Roblox".
