Roblox has been criticized for bombing players with harassing messages that appear on screen. In 2021, The Washington Post claimed that they were able to set up a fake email address in order to send players fake emails. On November 29, 2021, it was announced that they had removed the ability for players to send fake messages and that they were working on a new update that would do this.

Rated 4 out of 5 by Anonymous from Awesome It's an awesome game and I like how you can make your own games on ROBLOX! Rated 3 out of 5 by Anonymous from It's alright I really like playing roblox. The only thing I don't like about it is that you have to pay for a lot of things. Rated 2 out of 5 by Anonymous from Worthless the only thing this app is good for is getting annoying ads Rated 1 out of 5 by Anonymous from This app should be deleted It has alot of ads and it doesnt let me play any games. I've tried to pay for it but I have to pay for al of the games.

11. There is a rule that allows inappropriate activity on Roblox to get banned. 12. There are too many glitches within the game such as the bug where the game does not close when you come out of a video, and it doesn't force you to close but it just stays on the screen, and even though you are out of the game, your character is still doing stuff such as talking about other people's friends and such. 13. Roblox needs to

have a platform for developers where they can submit their games without them being judged or having any problems with inappropriate content getting banned along with their account and everything else that goes on within this platform.
