I love this game it is amazing! I like the way you can make friends easily with nicknames and when you try to play a game you dont have access to there are always glitches, but i LOVE the idea of making the games harder by having three stars or more (like an adult version of warcraft) but it needs to be stopped from players trying to get a lot of coins for their accounts, because there are some that have 100s of dollars for their accounts and they re selling them...and also about the prices, i put two dollars on roblox i cannot use it because all transactions done here is

done in dollars. -I would love if roblox had a marketplace because it could exchange items and in roblox the avatar is still the same as it was on a website but i wish there were live avatars in my profile
