There are also people who scam other players by selling items with prices they can't get for items that aren't worth much at all when you try to sell them. I once had someone scam me because of that. They told me their account was hacked and that they could fix it for me if I give them one of my item. So I gave them one and they scammed me. Another problem is when people are posting comments and other players comment back at them about it. communicate with others online. One time when I played Roblox, I was able to play a game that was very similar to the popular game fortnite. This is very fun for people who enjoy playing fortnite because they can play a similar game for free! It also gives people an opportunity to try something new and different while still being able to meet new people online.
