It teaches them how to be helpful, creative, and patient. I am writing about Roblox today because I am fairly new to the game and am trying to get used to it. I have had Roblox for about 6 months now, and I am sort of over it. However, I really love the game. It is a creative game where you can design an avatar and have a house to decorate. I just wanted to write this because I know there are a lot of people who have been searching for my story on Roblox. A lot of my friends have played this game and now I'm starting to understand why they say it's such an addicting game!
