Rated 5 out of 5 by Anonymous from Charming Roblox is so charming, even though I am 11 years old I still love this game. My sister is 8 years old, and she also loves this game. She plays roblox more than me. We always play it together, and we sometimes even make a little brother character named Blox. Every night we would ask our mom if we could play roblox longer, because we didn't want to stop. I love the update where when you or your friends spell a word, something pops up in the middle of the screen to tell you the number of letters in that word. The only thing I think is bad about this game is that you have to have headphones on if you want to move around, and since I usually play with headphones in it makes it harder for every one else to hear what my sister is saying (but they can still hear her). I love this game so much. I would definitely recommend it to my friends.
