I have been playing roblox games for about two years now. I started out with one of the mini-games (Hotel Tycoon 2). This game was very simple; all you had to do was buy a hotel and look after your guests. As time went on, my friends and I found a new game we wanted to play together (Battlefield 3). It was similar to Call of Duty with better graphics. We liked the game so much that we wanted to transfer our characters from Hotel Tycoon 2 into Battlefield 3. One night, my friend and I were playing on roblox and entered into a "lobby". In a lobby, you can find friends who are online playing games or creating new ones. We had two other friends join in and we started talking about which game we wanted to play together. The next day we all decided on Robloxian Life.
